

Robe paletot 04/04/1918 Great Coat dress

Trace:

- * back (dos), sleeves (manches), collar (col), and sleeve bands (parement) at the fold of double fabric
- * trace the front on double fabric
- * the belt is a piece of fabric cm by 38cm (2" x 15")

You can add a lining by using the same pattern pieces (cut slightly larger than the fabric pieces)

First embroider the collar and sleeve bands as shown in the picture

Cut out

Assembling:

Collar: make a lining or turn under the seams and stitch (press)

Close shoulderseams

Pin the collar to the neckline (right side collar to back side of the neck) let correspond x/x

Stitch and clip where needed. Turn over and press

Adjust sleeves to sleeve bands. Pin and stitch

Adjust sleeves to armhole. Pin and stitch, clip where needed, press

Close sideseams

Hem the sleeve bands (if ni lining is added)

Turn under the centerfront seams (couture ourlet) Stitch or add lining

Stitch the bottom hem

The belt has a tassel at both ends (wool)

The coat closes by press buttons
