furnished galencians

Take two pieces of pink fabric of 13 cm. of top on 16 broad. Fold them into deaux in the direction height. Pose above the copy of your ~~own~~^{PATTERN}. Cut. Assemble in English seam, initially the mediums of the back, then the mediums of the front by having care to stop these seams it or begins the line in skew indiquee for the between-legs. This made, pose your fabric so as to have the seam of the medium of the back resting on that of the milien front and that skews of the between-legs are found to form a V which give you has width of the bottom of the trousers. Bend this line in the shape of V. Recut alos the top of your trousers to give one half-centimetre height of less in the front that on the back. Hem. To pass the slide in this hem spare a buttonhole brodee. Hem the bottom of the legs, then bend lace as usual at the point of overcasting and did not oubiez either the pretty point of blue embroidery.
