

Betsy McCall goes to School

This month Betsy McCall is going to start school! And she's so excited she can hardly wait. Betsy already has her school dresses and loves them all so much she can hardly decide which is the prettiest. Last night Betsy's father brought her two presents . . . a pencil box and a big box of crayons to use when she draws! Betsy knows how to print her name, and she can count up to ten. And, best of all, Betsy already has met her teacher, Miss Stephens. She came to see Betsy's mother and she wears the prettiest clothes and has a lovely smile!

Next month Betsy and Barbara go to a dog show.

This is Betsy's favorite dress that she'll wear the first day of school
