

Betsy McCall's Christmas surprise

Betsy and her cousins Linda and Sandy were helping Mummy and Daddy trim the Christmas tree. "Are you going to trim a tree for your dolls, Betsy?" asked Mummy

"Yes," answered Betsy. "May I start right now? I want to do it all by myself this year! And nobody can watch me because there's going to be a surprise," she added excitedly

Betsy decorated the tree with tiny ornaments just like the ones on the big tree and with the strings of popcorn and colored-paper chains Mummy had helped her to make

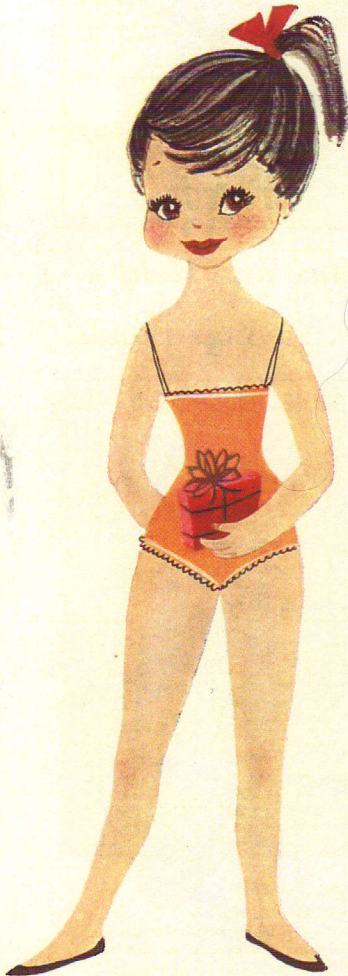

When she was all done, she invited them to come see. And the best of all was the surprise! She had left a big glass of milk and some cookies beneath the tree for Santa Claus
