

Betsy McCall rag doll

Perky jacket tops a cummerbund dress

Every little girl who loves Betsy McCall will want to have her in this 16-inch rag-doll version. Designed to be soft and pliable, the Betsy McCall rag doll bends, sits, walks with help. Pattern includes doll, lingerie and the four fashion-wise costumes shown here, all exact copies in doll size of ready-to-wear Betsy McCall dresses. Make doll of flesh-colored cotton broadcloth, muslin or sateen; stuff with Orlon or cotton batting; embroider features with six-strand cotton, using outline, blanket, satin and straight stitches. Make her wig of brown four-ply worsted.

NEW MUM. CREAM

The doctor's deodorant discovery that now safely stops odor 24 hours a day

You're serene. You're sure of yourself. You're handbox perfect from the skin out. And you stay that way night and day with New Mum Cream.

Because New Mum now contains M-3 (hexachlorophene) which clings to your skin—keeps on stopping perspiration odor 24 hours a day. So safe you can use it daily—won't irritate normal skin or damage fabrics. New Mum Cream is another fine product of Bristol-Myers.

Underarm comparison tests made by doctors proved a deodorant *without* M-3 stopped odor only a few hours—while New Mum *with* M-3 stopped odor a full 24 hours!
