

# Betsy McCall plays ticktacktoe

BETSY and her cousin Sandy were at the beach. "Let's play ticktacktoe in the sand," Betsy suggested. She drew a form like this: # and Sandy drew an X in one space. Next Betsy drew an O in another space, and they took turns to see who would win. It was Sandy! He got three Xs in a row before Betsy got three Os.

Here is a ticktacktoe game you can play! Try to find the two winners at the right by adding an X for one winner and an O for another.

O	X	X	O	O	
X		O	X		X
	X	O	X	O	X
X	O		O	X	O
O		X	O		X
O	X		X	O	X
