

Betsy McCall's scrambled Christmas list

What a mix-up we have here!
 Betsy's lost the list she planned
 And can't remember who gets what
 Unless you lend a helping hand.
 What would you do if you were Betsy?
 How do you think she should change them?
 With your scissors and your paste,
 Cut out the pictures, and rearrange them.

"Dear Sandy: I know you'll have fun making a new calendar every month with this game. And I guess now you won't forget when my birthday is. will you?"

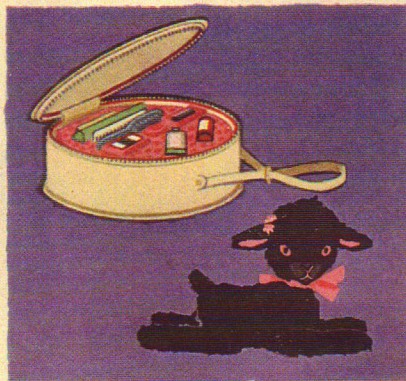

"Dear Linda: This Pretty Pac is for you to take along on trips. The jet-black lamb is to sleep with, because your old one is so shabby, poor thing"

"Dear Barbara: Here's a set of magic stay-on doll clothes to embroider with sequins and things. You just cut them out and stick them against the doll"

"Dear Sue: Here's a dolls' tea party. The striped umbrella is removable, and the chairs can be folded. The dolls can walk and sleep and sit and stand"

"Dear Nancy: You love ranches, so I know you'll like this. The doll has a real Western suit, with boots, big hat, a square-dance dress, and work jeans"
