

Pastorale Robe

for Bleuette

1. Placing right sides together sew up the sides of the dress top front and back. Then repeat this with the lining.
2. Baste pleated (or gathered) tiny lace all around the top edge of the dress top on the right side of the print. Slide the lining inside the print so right sides are facing and sew these together all around the top (the lace will be "sandwiched" between the print and the lining).
3. make tiny clips on the curves so the fabric will lay smooth. . Then turn this right side out and press.
4. Skirt; sew up the seam and then sew a gathering stitch all around the top edge. I then fold the skirt in 4ths and join to the dress top at the front and back center and each side seam. Then your gathers will be evenly distributed.. Pull the gathering thread so the skirt fits to the waist of the dress top and sew this in place. Hem the skirt where desired. Press
5. Sew a snap at each shoulder with the front shoulder over the back one. Sew 2 tiny buttons on each front shoulder.
